## ITALIAN RENAISSANCE

Italian-born tastemaker Luca Lanzetta, owner of Ernestomeda and Antonio Lupi, is slowly expanding his business into a lifestyle empire called **Luca Lanzetta**. He recently acquired the 1,800-square-foot space in the Mart vacated by Au Bon Pain, which he will devote to the sleek Italian furniture line Molteni & C. He will also start representing Viabizzuno lighting and TRE-Più doors and showing some Matteograssi furniture on the floor. All are exclusive to Lanzetta in Chicago. *Merchandise Mart, 312-329-0229,*
